

To support Items 3.I.a and 3.I.b
DRAFT Statement of Approval by the Hawaii Climate Change Mitigation and Adaptation
Commission
At its October 28th, 2020 meeting

Seeking approval of documents; statement to be considered by the Commission:

This document has been [endorsed/adopted] by the Hawai'i Climate Change Mitigation and Adaptation Commission to support implementation of recommendations in the Hawai'i Sea Level Rise Vulnerability and Adaptation Report adopted by the Hawai'i Climate Change Mitigation and Adaptation Commission in October of 2017, and as a resource of the Climate Ready Hawai'i Initiative.
